A conversation with new Assisted Living Director, Christy Coppenbarger

SV: What work did you do prior to coming to Snyder Village?

Christy: I am a licensed social worker with a MSW concentration in mental health. I am currently an adjunct professor at Carl Sandburg School of Nursing where I teach online Biomedical Ethics courses. Prior to joining the Snyder Village team, I was a director at Courtyard Estates Assisted Living in Kewanee. Before that, I was a Case Manager/Discharge Planner at OSF St. Francis Medical Center in Peoria.

SV: Are you originally from the area? Do you have family here?

Christy: I was born and raised in Peoria. I now live in Washington and have lived there for 17 years. I am happily married and have two grown children. My husband, Tom, owns Infinity Art Studios in Washington. My son, Cody, lives in Peoria and works at Dick's Sporting Goods. My daughter, Alexis, lives in San Diego and is in the Navy.

SV: What do you enjoy doing in your free time?

Christy: I love spending as much time as I can with my family. I have two dogs that I love to walk and am in the process of training one of them for service work. I also love to fish.

SV: What interests you about working with older adults?

Christy: I discovered my love for seniors during my journey at OSF. I greatly appreciate the life experiences and stories that our senior population carry with them. I have an immense amount of respect for seniors, and I appreciate all that they teach me about life.

SV: What are you most looking forward to in your new role at Snyder Village?

Christy: Most of all, I look forward to working with my team of hard-working people who are dedicated to making and keeping Snyder Village a great place for our residents to live and for all of us to work.

Welcome to the Snyder Village team, Christy!

A Note from the Executive Director

Hello Snyder Village campus! I can't say enough times how much we appreciate all of our residents, staff and families!

It is so wonderful that we are able to offer more visitation opportunities at both the Health Center and Assisted Living. We are also enjoying more activities across the campus for all residents. We hope and pray we can continue with less COVID restrictions in our daily lives going forward.

The Snyder Village Benefit Online Auction is just around the corner. Be sure to bid on items, visit the Snyder Village Market at the IGA on Saturday, September 18th, purchase Lucky Cards, and help us build up the Resident In Need Fund.

Blessings,

Keith

Snyder Village remembers friends and neighbors lost this past month. We pray family and friends will find peace and comfort during this difficult time.
