New Assisted Living Director

Snyder Village is excited to welcome our new Assisted Living Director, Jessica Schmidgall. Jessica has worked in the healthcare field for the past 20 years and has been a licensed social worker since 2004. The positive reputation of Snyder Village and her love for seniors made Jessica interested in pursuing this new role. "Snyder has an excellent reputation in the community and I have a genuine love for seniors," says Jessica. "Most of my experience is in senior care. We owe everything we have to those who came before us. I can't imagine a better way to show our appreciation by caring for those who cared for us."

JESSICA SCHMIDGALL
Assisted Living Director

Originally from Quincy, IL, Jessica has lived in Washington, IL, for the past 10 years. She and her husband, Andy, have two children, Drew and Ava. In her free time, she enjoys spending time with friends and family, camping, and traveling. She also enjoys baking and used to have an in-home cupcake business. She is looking forward to getting to know and connect with the Snyder Village residents and community.

Executive Director, Keith Swartzentruber, says, "I'm excited to have Jessica join us as our Assisted Living Director! Her social work background and years of experience with seniors make her an ideal addition to our team."

Welcome to Snyder Village, Jessica!

Keith's Corner

A Note from the Executive Director

As we journey into 2021, I want to thank every one of you for your patience and perseverance as we work together to overcome COVID-19. I am so impressed with the diligence of our staff and the cooperation of our residents and families. Thank you all! With the coming of the vaccine, we are hopeful more normal days will be here again in the next few months.

Our Health Center residents and staff are scheduled to receive their first COVID vaccination on January 18th and their second vaccination on February 8th. Home Care staff are currently obtaining vaccinations from the Woodford County Health Department. We are making progress! As of the writing of this newsletter on 1/15/21, we have not been notified when the rest of our campus will be able to have their vaccinations. When we know more, we will share that information with you immediately.

February has a number of items on the calendar: Lincoln's birthday, Valentine's Day, President's Day and Ash Wednesday. We hope you're able to enjoy these occasions in a safe and healthy way!

Continued blessings,

Keith

Retirement Community Chatter

Residents had fun hunting a werewolf who was roaming around the SV Center!

We talked about the 2010 oil spill in the Gulf of Mexico during "Science for Seniors." We learned that clean hair helps absorb petroleum oil. Jerra offered to let Gordy cut some of her hair to use for the experiment to see if it would actually absorb the oil. Even though it wasn't a lot of hair, it did absorb quite a bit of the oil!

We tried a fun new exercise activity - ball drumming!

- Retirement Community Activities Staff: Jerra, Kathy & Angela

What We're Looking Forward To:

- **Feb 10, 1:30 p.m.** - We will be celebrating Valentine's Day by having tea & dessert

Volunteer News

Volunteering is beneficial to our lives in many ways by lifting spirits, building relationships with others, inspiring others with your talents or skills, or just simply by offering a kind word to others. Even during a pandemic there are ways we can serve our community or touch the lives of others.

Volunteer Needs:

- We are still in need of healthy, able-bodied individuals who would be willing to help screen employees of the Health Center. By volunteering, you would keep our employees and residents healthy & safe. Each volunteer will be trained on the screening process and volunteer shifts are 2-3 hours each. Volunteers should be healthy and without any of the high risk conditions defined by the CDC.

We are always appreciative of extra volunteers to fill in for our regular volunteers when they are unavailable. Please contact Ashley Thompson for more information.

For more information on volunteering at Snyder Village, please contact Ashley Thompson, Volunteer Coordinator, at **366-4135** or **athompson@snydervillage.com**.
