*A message from
Pastor D*

Heavenly Father,

When our children were young we delighted in change... watching them grow and celebrating their achievements.

But, Lord, in this season of life, I'm having a hard time managing the changes. They come at me so fast that I've hardly recovered from one when the next one bowls me over.

Why do we get old? Why do we wear out? Why do we die? I may as well ask, why does the world exist?

Actually, I know the answer to that last one. The world exists because you love it and you love all of us in it.* It exists because you ARE love and love can't help but give and create. Your Word also answers the other questions. Sin messed up what you created and humanity got caught in the middle.

We are waiting on you, Father, to clean up the mess we are in and to restore things to how they were when you began all of this so long ago: no death, no pain, and only the changes that bring us joy, such as growth in relationships, trust in you, a good life ... forever.

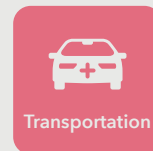

In the meantime we wait, we trust. And we lean on Your steadfastness and the unchanging nature of your love to get us through the changes in our days.

In Jesus' Name I pray.

In Honor and Loving Memory

The following individuals were lovingly remembered by spouses, family members, or friends who donated generously to the Resident In Need or other Snyder Village funds in April 2024:

Jim Key; Jim Booth; Shirley Barrow; Bob Schick; and Alan Brown

The Resident In Need Fund allows Snyder Village to continue caring for those who have exhausted their personal resources and can no longer pay for the cost of their continuing care. This helps to ensure that we can provide the highest quality of care for our residents. Thank you to all who have supported the Snyder Village Mission with your gifts.
