

Assisted Living Visitation Fact Sheet

All visits will be scheduled in advance with Kelsey (Receptionist) during normal business hours. **Call (309) 367-4300 ext. 203** to schedule.

Upon arrival, staff will screen in visitor(s). This includes symptom questions, taking temperature, and observing hand hygiene. Please be sure to sign in and sign out each time you visit.

Visiting is only allowed in resident apartments.

No more than two adult visitors and up to two children will be allowed at any time. Visitors do not need to be from the same household. Children ages 5 and older are allowed to visit in resident apartments. All children **MUST** wear a mask and keep their masks on for the duration of the visit. Children must be accompanied by an adult **AT ALL TIMES**.

If the visitor(s) and resident are fully vaccinated, the resident and visitor(s) can choose to have close contact and not wear masks during the visit. If the resident and/or visitor(s) are not fully vaccinated, the safest approach is to maintain 6 feet of physical distancing and wear face masks. However, if the resident is fully vaccinated, he/she may choose to have close contact with their unvaccinated visitor(s) while both continue to wear face masks.

We are now offering limited weekend visits. Times slots for weekend visits are as follows: Saturday and Sunday 9:00 am, 10:00 am, 1:00 pm and 6:00 pm. There will be a maximum of 2 visits during these time slots. Due to the limited number of visits allowed on the weekends, we will not be accepting recurring weekend visit scheduling. Visits can be up to 2 hours in duration. Duration of time must be established at the time of scheduling.

Staff will no longer be escorting families to and from resident apartments. All visitors **MUST** keep their face masks on, go directly to their loved one's apartment and remain there for the duration of the visit. Please do not stop and visit with people other than the resident(s) who you are visiting.

The facility has the right to end a visit if guidelines are not adhered to.

Visitors must notify the facility if they test positive for COVID-19 within three days after the visit.

If you have any questions, please contact the Assisted Living office at 367-2500. Thank you!

By signing, I acknowledge receipt and understanding of Snyder Village Assisted Living visiting policy.
