NATIONAL

physical therapy month

October is National Physical Therapy Month and the perfect time to focus on physical activity and all the benefits it brings. Movement is crucial to independence, and regular physical activity benefits your physical, mental, and social health. For those recovering from injury or learning to live with physical limitations, physical therapists can help identify, diagnose, and treat movement problems. Seeing a physical therapist can help you:

- Manage pain & other chronic conditions

- Recover from injury

- Prevent & reduce the risk of future injury

The Therapy Department at Snyder Village offers not only physical therapy, but occupational and speech therapy as well. Out-patient services are offered to the Snyder Village campus and the surrounding community, and in-patient services are available if needed.

Therapy Presentation

Staying Vertical

One in three adults aged 65 and over and 50% of all adults aged 85 and older fall every year. Falling is the leading cause of emergency room visits every year and the reason for physical decline. It is critical that every senior knows their fall risk and how to train to stay vertical.

You are invited to a presentation by Jessica Spencer, Physical Therapist. Jessica is a new Physical Therapist at Snyder Village and has been a great addition to our team!

Remembering Our Friends and Neighbors...

Snyder Village remembers friends and neighbors lost this past month. We pray family and friends will find peace and comfort during this difficult time.

"So also you have sorrow now, but I will see you again, and your hearts will rejoice, and no one will take your joy from you" (John 16:22).

In Honor and Loving Memory

The following individuals were lovingly remembered by spouses, family members, or friends who donated generously to the Resident In Need or other Snyder Village funds in August 2023:

Loretta Allen; Larry Attkisson, Patty Berg, and Jim Williams; Russel Bachman; Virginia "Ginnie" Brown; Virginia Lee Denham; Maurice Libbey; and Albert "Al" Wilson

Gifts to Snyder Village, in honor of an individual or couple, are also made by loving family and friends in celebration of special milestones in life such as graduation, anniversary, retirement, or in general recognition or appreciation.

The Resident In Need Fund allows Snyder Village to continue caring for those who have exhausted their personal resources and can no longer pay for the cost of their continuing care. This helps to ensure that we can provide the highest quality of care for our residents. Thank you to all who have supported the Snyder Village mission with your gifts.
